

Declaration of acceptance to collect and use personal data **- GDPR approval -**

I declare that I accept the registration of my child to Olympiada Neapolis to the Volleyball Development Teams Division. Furthermore, I fully accept and agree with the terms and regulations of the Cyprus Volleyball Federation (CVF) for the development championships and official games, as these are outlined in the relevant declarations for these competitions in the Federation website. Moreover, I declare as parent and legal guardian of the child that I undertake full responsibility to safeguard all matters relating to the security and safety of my child, including the event of an injury of any kind.

With the present, I am made aware that the CVF, with the official games that Olympiada Neapolis is participating, will perform functions as games, awards, celebrations, etc where there may be photographic or video coverage, for the purposes of promotion, news and briefing of the general public.

The CVF and/or the Cyprus Athletic Organization (KOA) and/or the team may assign a person to take pictures or videos of the games that the athletes may participate. Such material may be used to various publications, including online press, social media, newspapers, tv stations, etc in both Cyprus and abroad. Users of such material shall take all precautionary measures to ensure the images and footage shall be used solely for these purposes. In the unlikely event it comes to your attention that such data is used for purposes other than the above, please contact us immediately.

It is noted that although measures are taken to the utmost degree to ensure all legal rights of the athletes are maintained and protected, though the GDPR policies and applied measures and procedures enforced, no liability is being taken for any non-authorized use of such material is made by a 'third party'.

Moreover, cannot control the use of cameras and personal phones to make such footage by fans and others on the courts (as other parents, other athletes, relatives or spectators) and possible placement of such images or footage to social media. However, the team reserves its right to check such activities, where there might be a possible breach of the athlete's rights, as well as safety and security.

As parent/legal guardian of the athlete, I consent with this declaration that CVF and the team can take photographic images and video footage my child. Moreover, I consent to posting to social media and media of mass communication such material, as described above.

Last, I am aware that I maintain the right to revoke this consent at any time, by contacting Olympiada Neapolis either by phone or email or postal mail. Furthermore, I understand that revoking this consent will not affect any publications previously made. With the present declaration, I am also aware that process and use of personal data is made according to the procedures prescribed with the European GDPR regulation 2016/679 and the local legislation for protection of personal data 125(I)2018.
